

Camping Bakkum House Rules

Welcome to Camping Bakkum. We love having you here! To ensure that everyone has a great holiday, we need to agree on a few rules so that we can all enjoy everything Camping Bakkum has to offer.

If you'd like to read through all our house rules, then please do. You'll find them below.

Cars and other vehicles

- You will receive one barrier pass per pitch/rental accommodation. The pass is personal and must not be shared. The pass gives you access for one car.
- When you booked a pitch/rental accommodation with car parking, then you can of course park there. The area can be accessed from 07.00 to 22.00.
- When you booked a pitch/rental accommodation without car parking, you must park your car in the central car park P2. This car park is accessible 24/7
- We request that you take the maximum speed limit into account for the safety of playing children.
- The use of quad bikes, mopeds, scooters or mini bikes on the campsite is prohibited. Vehicles are not to cause any nuisance on the site.
- Charging an electric car is only permitted at the designated charging points in the car park. When your car is charged we request you to remove it and park it in a normal parking space.
- Should you receive visitors then they can make use of car park P2, for a parking fee.
- It is not permitted to allow your personal barrier pass to be used by other guests that do not belong to your family. Misuse will lead to the confiscation of the barrier pass.
